Don't Take That

Over the counter medication - what you need to know

Tuesday 27 March 2012
10.00am – 2.30pm
Australian Education Union Building
163a Greenhill Road Parkside

What parents need to know about over the counter medications

Our speakers will focus on topics such as: Types of medication, the differences between them, are they safe; Department for Education and Child Development (DECD), Drug Strategy what's happening in schools, DECD Medication Policy; School drug and medication policy review process and much more

Do you know the difference between the brands of over the counter medications?

Why there is a use by date on the packet?

Why your school has a medication policy?

If not, and you would like to find out why and learn much more, just register to attend the free parent forum.

Key note speaker: Dr Charlotte de Crespigny, Professor of Drug and Alcohol Nursing, School of Nursing, University of Adelaide

There is no charge to attend the forum and lunch will be provided
